

# **2016 VINTAGE**

Stroll through the vineyards in the heat of a summer afternoon, enjoying the refreshing breeze coming down off the St Emilion high land...this is the place to which you find yourself transported by Château Canon 2016. The nose releases aromas of black cherries and ripe fruit. Then the fragrances of violets and chocolate express themselves. A few notes of fresh fig and slightly peppery spices complete the aromatic palette, which reveals excellent length and unctuosity. The fine, silky tannins create a creamy and long-lasting mouthfeel. The limestone plateau imprints it minerality and brings a liveliness on the palate along with beautiful balance.
